

# Michigan Immigrant Rights Center

MIRC is a legal resource center for Michigan's immigrant communities. MIRC works to build a thriving Michigan where immigrant communities experience equity and belonging.

## Our Offices:

MIRC has offices in Ypsilanti, Lansing, Grand Rapids, Detroit, and Kalamazoo.

## Advocacy Under Pressure

MIRC assisted a client, originally from Venezuela, with their asylum case. After waiting several years to issue a decision, the government finally issued a Notice of Intent to Deny the asylum case and provided her with just one week to submit a response. A MIRC attorney worked feverishly to argue that a denial was improper and bolstered this with additional country conditions and legal support. In early 2025, the government agreed and asylum was approved!
